BOWLING AND GYM? SIMPLY AT HOME

Of course, you could go bowling at a center, but it's also possible at home. Thanks to Valcke Group! "Inspired by Excellence", that's the slogan of Valcke Group. This a slogan to which the company from Wevelgem acts, because when installing a bowling center or fitness center, you need the necessary expertise and the best products. The bowling division has therefore been working with the American top brand Brunswick Bowling since 1992 and the fitness division works together with Life Fitness, a trendsetter in the fitness industry.

So many people, so many wishes. To maximally enjoy your home bowling or gym, everything must be right. What do you think about lanes that look and feel like the rest of your interior? Or is it time for the kids and their friends to have fun on the lanes? enlarge their fun with light pins and balls, or a gate next to the gutter! Even if you want to enjoy a nice workout, are customizable fitness machines no extra luxury. from the benches to the metals of the machine? every aspect of a bowling lane or fitness machine is customizable. For smaller spaces ranging from 20 square meters to 40 square meters, or bigger spaces: There is a solution for everything. Nothing is too much to make a customer happy. For Valcke Group, every project is a strike!

If you enter the Valcke Group offices you are immediately greeted by a beautiful showroom. Here you can experience immediately which machine gives you a true energy boost en on which lane you can throw as many strikes as you want. Next to the offices of Valcke Group, you can find the Kentucky Bowling, the bowling center where it all started for the company. Did you get curious about what Valcke Group can do for you? Get in touch with them and maybe you will be exercising or bowling with us.
